The work that gives this disc its name, Michael Colgrass' *Winds of Nagual*, was inspired by the writings of Carlos Castaneda and his experiences with a Yaqui Indian sorcerer, delving into the secrets of pre-Columbian wisdom. David Gillingham's *No Shadow of Turning* is based on a hymn-tune, *Great is Thy Faithfulness*, and is dedicated to the memory of Lois Brock, secretary of the Ohio State University Bands. It was Dvořák's *Serenade for Winds, Op. 44* that led conductor Russel Mikkelson to arrange the lovely *Serenade for Strings* for wind band. Donald Hunsberger's arrangement of Rimsky-Korsakov's evergreen *Bumblebee* was originally written as a solo for jazz trumpeter Wynton Marsalis. In the present transcription, he assigns the solo trumpet line to various instruments of the band.
