

HOW DO I JOIN THE OHIO STATE CONCERT BANDS?

There are two ways you can join the OSU Concert Bands:

First, you may audition for our top three ensembles, the Wind Symphony, the Symphonic Band, and the Collegiate Winds.

Audition Requirements

Audition materials are posted on this website for the autumn auditions by August 15. In the winter quarter, we audition only those students who were not in a concert band in the fall. (By appointment only)

Spring audition materials are available during winter quarter finals week from Tom Cook, Administrative Assistant, Hughes Hall 106 G.

Second, you may become a member of the University Band by simply signing up. No audition is required for membership. There will be a part placement audition to seat the band.
